COMMUNITY LEAGUE MEMBERSHIP HAS ITS BENEFITS

By becoming a member of your Community League, you have demonstrated your commitment to your community. To honour your commitment and support your families' health and well-being, the Edmonton Federation of Community Leagues has teamed up with the City of Edmonton to form the Community League Wellness Program. Current Community League members receive admission incentives to enjoy the City's world-class sports and recreation facilities.

All current members of an Edmonton Community League with a valid membership card are eligible to participate in this program.

HOW THE PROGRAM WORKS

Present your valid Edmonton Community League membership card, showing expiry date (payment receipts will not be accepted) at any one of the City of Edmonton's sports and fitness facilities. Choose from the following Community League Wellness Products:

- **Annual Pass – Community League members receive a 20% discount on Adult, Family, Child, Youth and Senior Annual Passes.**
- **Continuous Monthly Pass*– Community League members enjoy a 20% discount off the Continuous Monthly Membership Program using our convenient Per-Authourized Debit Program.**
- **Multi Admission Pass – Community League members receive a 15% discount on our already discounted multi admission pass (starting at 5 visits).**

Community League members who purchase the above passes will be issued a photo access card which is to be swiped at each admission.

*Members will be asked to verify their eligibility for the discounted membership on an annual basis.
Failure to do so may result in a suspension of the discounted membership rate until valid documentation is presented.
